# Mission and Objectives

**Financial centers are key to sustain economic growth. They**

- provide the infrastructure for investment & savings that drives economic growth,
- contribute more and more to sustainable development and to improving financial literacy,
- embrace innovation in finance.

**WAIFC aims to**

- share best practices between financial centers,
- develop the dialog with the public authorities at the international level.

**WAIFC promotes international financial centers on a global scale.**

**WAIFC helps sharing best practices and communicating jointly.**

**WAIFC works closely together with knowledge partners.**

**WAIFC is project driven** and each project is sponsored by one or more financial centers. The value for WAIFC and its members is in the success of those projects.
